## Headteacher's News

It was great to see so many parents this week for our World Book Day Parade where the children looked amazing! Our fun theme of adjectives was used to support children's language development. Please try to help your children increase their vocabulary when reading with your child, in games or when watching a programme together. Also not all reading needs to be from books. For instance, listening to audiobooks and e-readers from apps such as Borrow-Box are a fun way to hear authors and encourage a love of stories. Don't forget you can add subtitles to programmes as a way of encouraging speed reading. We hope you have received the World Book Day token which can be spent in any bookshop in town.

I hope you found the parent consultations useful and informative. If you have any feedback, please email on [interact@northgate.herts.sch.uk](mailto:interact@northgate.herts.sch.uk)

We look forward to seeing you next week when family members are invited into school, to play maths games with your child and for your child to share their work with you. Maths games, including board games with dice, are a great way to reinforce core learning and to help children's maths fluency. Sessions will be from 9am to 9.30am. Parents will wait in the dining room until after registration. Please see the dates for your child's class on important dates.

Hope you have a lovely weekend.

## Enriching the curriculum

Yesterday was World Book Day and at Northgate the children and staff dressed as an adjective. By thinking, talking and learning about these different words the children are extending their vocabulary whilst having lots of fun! Thank you to all the parents that helped create the amazing, imaginative outfits that brilliantly represented their child's chosen word. The children paraded around the playground in the morning for parents, showing off their ideas and hard work. After that, the teachers did their usual run around in the classrooms reading a two minute story to each class. This brought a smile to everyone's face and everyone thought it was brilliant fun.

WBD provides a fantastic opportunity to focus on reading for pleasure, supporting children's autonomy in book choice, and embedding a habit of reading that brings a wide range of benefits.

"I have a passion for teaching kids to become readers, to become comfortable with a book, not daunted. Books shouldn't be daunting, they should be funny, exciting and wonderful; and learning to be a reader gives a terrific advantage." Roald Dahl.

## Safeguarding

### Two very serious incidents occurred yesterday outside school.

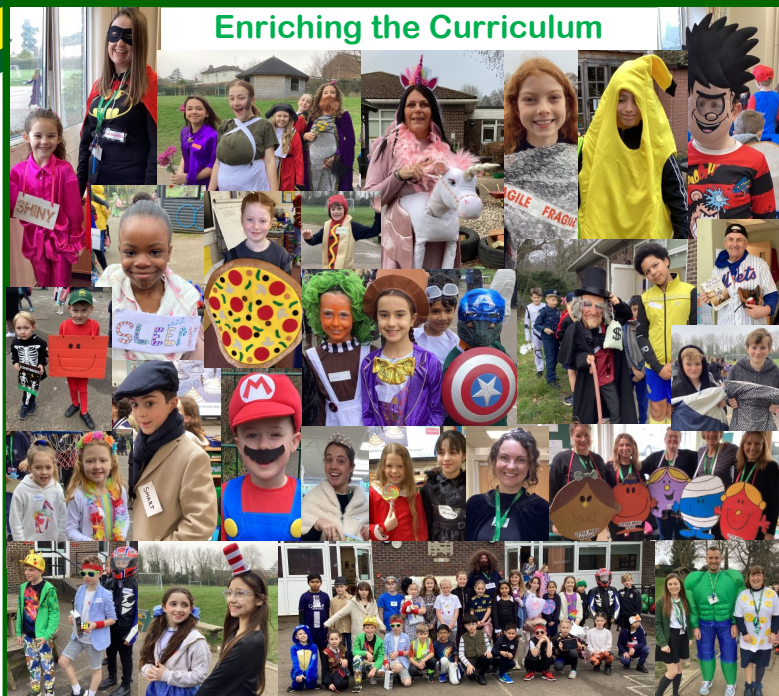

In the morning, our crossing patrol man was very nearly hit while he was still on the crossing. A very impatient parent started to drive past him and narrowly missed him. This is totally unacceptable. County Hall have been informed and want us to explain that doing this is a criminal offence and could result in a fine of £1,000 and 3 points on your licence. Later after school, at pick up a car pulled onto the zigzags recklessly, knocking over the new sign (asking for people to not to park there) and in the process they knocked a child's arm. The child is ok, but obviously rather shaken up. Parents please take heed, before it is too late! **PLEASE PARK SENSIBLY.** Be mindful at all times, otherwise a serious accident will occur and this will be devastating for everyone involved. We will now have to buy another new sign, the money for this could have been utilised elsewhere in the school.

Sweets, crisps and chocolate snacks are not allowed. Healthily snacks such as raw vegetables, fruit or cheese are ideal.

### Dressing Up Costumes

If you have any world book day costumes that you would like to donate to school, we would really appreciate them for next year. Please note that we do not currently have space to store for general dressing up including super hero and princesses.

### School uniform
